SUSTAINABLE RESTAURANT ASSOCIATION MEMBER 2011

THE DRIFT

AS A SUSTAINABLE RESTAURANT ASSOCIATION MEMBER:

- **We pledge** to fully embrace and operate according to the Sustainable Restaurant Association Values
- **We commit** to becoming increasingly sustainable across our business
- **We recognise** that sustainability is an ongoing process and that Sustainable Restaurant Association Accreditation can help us become Champions in our field
- **We commit** to the following 3 Key Actions from the Sustainable Restaurant Association Charter of Actions

1 Arrange a staff visit to an ecologically managed farm or community allotment

2 An energy audit will be conducted, with targets made to reduce energy use

3 Support a local charity or community initiative on an annual basis

4 Share skills with local schools or groups (e.g. Let's Get Cooking)

5 Raise customer awareness about your approach to sustainability and your sustainable food options (e.g. through a website, newsletter or tent cards)
